1. The Covenantor(s) will construct and/or provide for the maintenance of the Facilities to insure that said Facilities are and remain in proper working condition in accordance with approved design standards and applicable laws, rules, and regulations. 4. The Covenantor(s) acknowledge(s) that the County has the right to inspect the Facilities. If, after reasonable notice by the County, the Covenantor(s) fail to construct, repair, maintain, or operate the Facilities within a reasonable period of time (30 days maximum) in accordance with the approved design standards and with all applicable laws, rules, and regulations, the County may enter onto the facility and perform all necessary construction, repair, maintenance, and operating work, and may assess the Covenantor(s) for the cost of said work. Said assessment is a lien against the subject property and may be placed on the property tax bill of said property and collected as ordinary taxes by the County.
5. The Covenantor(s) does/do hereby grant and will continue to grant the County, its successors, agents, and contractor(s) the right of entry to the Facilities for the purpose of inspecting, and, if necessary, operating, installing, constructing, reconstructing, maintaining, or repairing the Facilities, and shall provide and maintain perpetual access from public or private rights-of-way to the Facilities for the County its successors, agent(s), and contractor(s) for said purposes. The Covenantor(s) will also grant to the County any easements and rights-of-way necessary for the foregoing purposes.
6. The Covenantor(s) acknowledge(s) that the County may exercise any emergency authority provided for by law.

8. The Covenantor(s) will notify the County of the legal and/or equitable transfer of any of the Covenantor's (Covenantors') responsibilities for the Facilities within thirty (30) days of such transfer and will supply the County with a copy of any documents of transfer, executed by both parties. Said transfer documents must clearly reference this Declaration and Agreement, including the recordation liber and folio.
9. This Declaration and Agreement in no way relieves the Covenantor(s) of responsibility for providing stormwater drainage, in addition to the Facilities, as it may be deemed necessary by the County or other appropriate agency.
10. This Declaration and Agreement is to be construed in accordance with the laws of the State of Maryland and any action brought hereunder must be brought in the courts of this State, with venue solely in Charles County.

11.
